1. Address of city office.
2. Name & address not yet published at this time, by them.
3. The city of Saint Paul Minnesota by way of above named defendants & officers are trying to deprive use of taxed paid land & land use of back yard of residence, wrongful warrants, access to yard (rear) not have at this time, parking on tax property & use of back yard, not home, at reasonable cost & use of.

complaints handling by Joel Easeling & city prosecutors David Palm to see anything from back yard. City did not apply same standard to everyone else's back yard in city area evidence, & parking. No goods or premium, Discrimination of use of land, parking, Stearns in your that others have. We have tried to comply, but can't plan the aside the city then I think, not clear on back & evidence.
